Reply to Restriction Requirement and Election of Species

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the Restriction Requirement dated **August 10, 2005**, Applicants elect for further prosecution Group I, represented by claims 1-8. Applicants also elect for search and examination the species represented by SEQ ID NO: 1. Upon the identification of allowable subject matter in a generic or linking claim, Applicants request the rejoinder and examination of the remaining unelected species.

Applicants election of restriction Group I is made **with traverse**. Even if the claims of Group I may be characterized as belonging to an invention distinguishable from those of Groups II-V, examination of the claims of Group I with the remaining claims would not constitute an undue burden on the Examiner. Rejoinder is respectfully requested.

It is not believed that extensions of time are required, beyond those that may otherwise be provided for in accompanying documents. However, if additional

extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor are hereby authorized to be charged to our Deposit Account No. 19-0036.

Respectfully submitted,
